WHAT IS CARAVANSARY HELP ALL ABOUT?

Caravansary is an inn for the travellers or a group of traveller usually made in the region of the Asia and North Africa. So we relate caravansary to the student who are like the travellers who came here to study, find new opportunities, make friend and find jobs. Through Caravansary Help we help them to manage service provided by the hostel like laundry, mess feedback, room services, registration of complaints, filling of the leave application all through digital medium.
